Issue 11 - September 2009

Welcome to the first edition of the ECA newsletter for Spring, 2009. As the weather warms up we're looking forward to some great boating over the next few months.

### CE Certificates

Both the Eagle 53 and 40 have current CE certificates. They comply with the Recreational Craft Directive 94/25/EC as amended by 2003/44/EC. This standard is required to sell boats in the European market. They are available to view on the respective Eagle 53 and Eagle 40 pages on our [www.eaglecruisers.com.au](http://www.eaglecruisers.com.au) website.

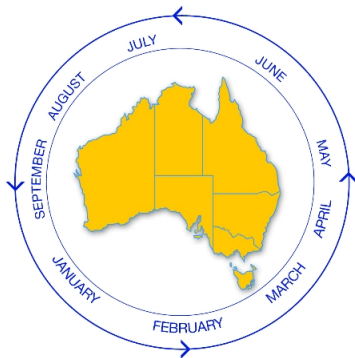

### Customer Satisfaction - Stacer Dealer of the Year 2008-2009

Nitro Marine, back to back Mercury Marine Dealer of the Year for Australia, New Zealand and South Pacific, has now been awarded the [Stacer](#) Australian Dealer of the Year for 2008-2009. Eagle Cruisers Australia is a division of Nitro Marine and as such are committed to keeping the high standard set by Nitro and look forward to a long and happy relationship with all our customers.

### Around Australia Rally

The Around Australia Rally for Cruisers is in its planning stages for 2010-2011, you can joining the rally at any point. What a great way to start your Eagle adventure.

### 2009 and Beyond

Following the closure both temporarily and in some cases permanently of some manufacturers in both the United States and Australia, Nitro Marine are pleased to announce we have been appointed the Queensland dealer for [Crownline Boats](#) and the Australian East Coast dealer for [Triton Boats](#), including the bass and saltwater series. Both these companies are committed, along with our Aluminium brand Stacer and our Eagle Pilothouse Cruisers to customer satisfaction and delivering a quality product.

### 25 Years on the Gold Coast

Nitro Marine prepares to celebrate its 25th year in business on the Gold Coast. Michael and Therese Waugh are preparing to not only celebrate 25 years of Nitro Marine on the Gold Coast this November but 8 years since they purchased the business from the Mills family in 2001. In this time Nitro Marine has grown by over 400% and has done so in an unassuming way, relying on our family of customers, knowledgeable staff and great products. Over 75% of enquiry is from previous customers or referrals and our happy customers are our best source of advertising.
