### **Eagle 53 price slashed to \$899,000AU drive away**

'Aquila' a 2008 model E53 with twin 355HP QSB Cummins fully equipped to cruise away has been genuinely reduced to clear. Savings of \$180,000 make this a value packed vessel. Immaculately maintained and serviced 'Aquila' has also had her navigation electronics updated to 2011 Simrad units. Must be sold to make way for incoming vessels. Proven cruiser with over 3000NM logged. 3 cabin / 2 head layout with saloon, pilothouse and huge flybridge deck. Includes tender with 15HP outboard, 11kVA genset, stainless BBQ, full suite of electronics, reverse-cycle air-conditioning, top of the range kitchen appliances and entertainment systems. Too many inclusions to list, contact us for a spec sheet. Currently located at Gold Coast, Queensland.
